## SKILLS

- Problem-solving
- Team Support
- Presentation development
- Project coordination
- Event planning
- Task Initiative
- Punctuality and Work Ethic

## EXPERIENCE

Student

August 2021 - May 2023

Aga Khan Academy | Maputo, Mozambique

- Internship at an international organization called IBlieve for 6 months. Worked independently with weekly supervision by editors.
- Worked at a social foundation called SPROWT Foundation for 2 Months. The most prevalent event was my contributions to Mozambican Fashion Week in 2021.
- Wrote an article newsletter for SPROWT Foundation about the "Women On Boards" summit in 2023
- Led the first MUN Extra Curricular of my school comprising over 20 students in 2022. Built and maintained strong working relationships with fellow students.
- From 2022 to the beginning of 2023, was part of the creative and logistical team of the Aga Khan Academy Maputo's first yearbook. Collaborated on group projects with other students and the senior staff.
- Completed a hiking programme in South Africa as I created a workshop presentation for elementary students through the first month of 2022.
- Organized (with the help of my peers) an entire school-wide Earth Day event collaborating with Vodacom and inviting public schools for raising awareness in 2019-2020.
- Served as a volunteer for the student council to promote African history in a week-long event across the school in 2022. Developed strong time management skills to complete multiple projects at once.
- Met & promoted some of the work of young Mozambican fashion designers Jamaila as well as Naomi Saranga.
